Moser

Copenhagen

DESIGN ■ 1909

Klasický, kapkový kalíšek harmonicky splývá s šestihrannou nožkou a dýnkem. Díky zdobenému pásu s elegantním zlateným okrajem se Copenhagen stal volbou pro mnohé vlády a královské dvory při oficiálních státních příležitostech.

Classical, drop-shaped goblets blend harmoniously with faceted stems. The richly gilded border combined with an elegant golden rim has made Copenhagen the choice of numerous governments and royal courts at official state occasions.
